All you need to know about...

Eggshell No.17

Need a durable, washable finish for your interior woodwork? Earthborn Eggshell No.17 is an environmentally friendly paint that offers a beautiful low sheen and excellent scuff resistance. Perfect for doors, furniture, skirting boards and more, it's easy to apply and virtually VOC free — for a smoother, safer painting experience.

With great coverage, low odour and lasting performance, Eggshell No.17 is the go-to choice for elegant, durable wood finishes around the home.

Why choose Eggshell No.17?

- **Durable, washable & scuff-resistant** – Ideal for interior woodwork
- **Beautiful finish** – Elegant look for doors, trim and furniture
- **Trace VOCs** – Low odour and water based formulation
- **Excellent coverage** - Smooth, even results with fewer coats
- **Easy to apply** – Suitable for brush, roller or spray
- **Oil free** – So doesn't yellow overtime
- **Made in the UK**

Where to use it

Eggshell No.17 is perfect for:

- Interior woodwork such as doors, window frames, shelving and panelling
- Skirting boards, trim and smooth-planed wood
- Wooden furniture & kitchen cabinets
- Not suitable for floors or other heavy-duty surfaces

Before you start

For best results, ensure wood surfaces are sound, clean, dry, and free from dust, grease, or loose/ flaking paint.

Make sure to sand surfaces lightly before application and remove any defective wood. If needed treat knots with a suitable knotting solution.

Prime bare or previously painted wood with Earthborn Multi Purpose Primer.

Do not apply in temperatures below 8°C.

513 g/m² per day

Water Vapour Resistance (Sd-Value):

0.06m (0.077m over Multi Purpose Primer)

Vapour Permeability Class:

Class 1 (Highly vapour permeable)

VOC Content:

< 0.1% (trace only) < 0.5g/l

A few important notes:

- For best results, use Earthborn Multi Purpose Primer before applying Eggshell No.17
- Allow the first coat to dry fully before recoating; applying additional coats too soon may cause tackiness
- Avoid painting in high humidity, as the paint may not cure properly

Caring for your paintwork

To keep your paint looking its best, clean surfaces gently with a soft cloth or sponge and water. Avoid abrasive cloths or harsh detergents, as these can leave visible marks or damage the finish.

All you need to know about...

Eggshell No.17

Storage and disposal

- Store the paint in a cool, dry, frost-free place with the lid tightly closed
- Shelf life of unopened container, under correct storage conditions is minimum of 12 months
- Don't pour unused paint down the drain or into water-courses. Let it dry out and follow local disposal rules
- Find out how to clean brushes & rollers [here](#)
- Recycle empty tins where possible

Vegan declaration

At Earthborn we are committed to providing paints that are better for our homes, our health and our planet.

To that end, we always try to be as open and honest as possible to our customers. Eggshell No.17 and the raw materials are not tested on animals.

Safety first

*Contains 1,2-benzisothiazol-3(2H)-one and a reaction mass of 5-chloro-2-methyl-1,2-thiazol-3(2H)-one and 2-methyl-1,2-thiazol-3(2H)-one (3:1). May produce an allergic reaction. IF IN EYES: rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so. Continue rinsing. IF ON SKIN: wash with plenty of soap and water. Warning! Hazardous respirable droplets may be formed when sprayed. Do not breathe spray or mist. Always keep the product out of reach of children.

Please refer to the Material Safety Data Sheet for full details.

Toy Safety Standard

Tested to Toy Safety Standard EN 71-3:2019 +A1:2021, providing reassurance for use on items that children may handle.
