**5. Uses**

Can be used on most interior absorbent surfaces, especially wood, cork, unglazed tiles and as a finish on furniture painted with Earthborn Eco Chic. Please note it may deepen the shade of paint.

**Note:** Earthborn Furniture Wax is not recommended for floors or other heavy-duty surfaces.

**6. Ingredients**

Beeswax, carnauba wax, candelilla wax, hydrocarbons, silicone oil

**7. Properties**

Earthborn Furniture Wax dries to leave a clear satin, water repellent surface that is fully moisture permeable. It is dirt resistant and anti-static. It dries quickly for polishing and worn areas can be easily maintained by re-applying the wax.

**8. Preparation**

The surface should be clean, dry and free from dust and grease. For best results, lightly sand the surface before use. On highly absorbent surfaces, two coats may be required.
