PRODUCT DATA SHEET

RONSEAL GARDEN CLEANER

Ronseal Garden Cleaner is formulated using a powerful blend of detergents and phosphate cleaners for use on garden patios, paving & decking. Ronseal Garden Cleaner has an effective cleaning action, which will remove dirt, grease, stains, algae and mildew.

INTRODUCTION

Ronseal Garden Cleaner is formulated using a powerful blend of detergents and phosphate cleaners. It is formulated to clean most garden surfaces including patios, decking and paving.

Ronseal Garden Cleaner has an effective cleaning action, which will remove dirt, grease and natural stains. The cleaning action, combined with mechanical action (scrubbing with a stiff brush) will also ensure the removal of algae and mildew. Ronseal Garden Cleaner is fast acting needing just 15 minutes contact time to leave garden surfaces looking like new.

COMPOSITION

A water based blend of surface active agents with phosphate builders.

PROPERTIES

Viscosity - Low.
VOC Content – Minimal (0-0.29% w/v)
Colour – Colourless. Opalescent.
Odour/taste – Low, inoffensive.
Solubility - Miscible with water.

FIELDS OF APPLICATION

Ronseal Garden Cleaner is recommended for use on all types of garden surfaces. A small inconspicuous test area is always recommended however.

PREPARATION

Remove debris and large accumulations of dirt, moss, mould and algae using a stiff brush.

APPLICATION

Apply Ronseal Garden Cleaner to the surface using a watering can, brush or low pressure sprayer. Use neat, do not dilute.

Scrub the surface immediately using a stiff brush then leave for 15 minutes.

Wash off thoroughly with water using a stiff brush or hose. All cleaning residues must be thoroughly washed away in order to maximise the performance of subsequent coatings.

COVERAGE

Approximately 4-5m²/litre. A 5 litre container is sufficient to clean 20-24 square metres in area.

CLEANING OF TOOLS

All brushes and equipment should be cleaned immediately after use using plenty of water and detergent. Remove as much product as possible from application equipment before cleaning.

MAINTENANCE

Treated areas may be re-cleaned as required.

IMPORTANT NOTES

If Ronseal Garden Cleaner comes into contact with surrounding grass or plants, rinse thoroughly with water.

Care should be taken when using Ronseal Garden Cleaner, as surfaces may become slippery during cleaning.

Always test an unobtrusive area before starting general application to ensure that the desired result is achieved.

STORAGE

Ensure that the container is fully re-sealed after use.

Always store and transport in a secure and upright position.

Protect from frost.

The shelf life of the product in airtight containers will be at least 3 years.

HEALTH AND SAFETY

Observe and follow all warnings and instructions for use shown on the pack.

Specific health and safety data sheets are available on request.

SUPPLY

Obtainable from DIY retailers, paint suppliers and builders merchants.

SIZES

Obtainable in 5 litre resealable containers.

DISPOSAL

Some local authorities have special facilities for disposal of waste products.

Do not empty undiluted product into drains or watercourses.

LIABILITY

Whilst these specifications are based on expert technical knowledge and practical experience, we cannot assume responsibility for any work as the ultimate results depend on factors beyond our direct control. Standard codes of painting practice should be followed.

INFORMATION AND SERVICE

Our Technical Services Department will be pleased to offer specific guidance or provide any further information you may require.
